May 1, 2022

Dear Property Manager:

I am proud to announce that the City of Countryside has taken the Mayors' Monarch Pledge for 2022. This pledge requires the city to commit to several initiatives during the year which help increase the monarch butterfly population.

One commitment made is the installation of three butterfly/pollinator gardens throughout the community. These gardens include milkweed and other native plants necessary to provide food and a habitat for the pollinators.

I would like to encourage you as a property manager in Countryside to consider the use of native milkweed and nectar plants at your properties where appropriate. Enclosed is a list of "star performers" for our climate. The City is also providing seed mixes free of charge at the Clerk's Office.

If you have any questions please feel free to call City Administrator, Gail Paul or myself. Thank you in advance for your consideration to join us in this initiative.

Sincerely,

Sean R. McDermott
Mayor

Enclosure
