ON THE TRAIL OF THE MONARCH BUTTERFLY

AUGUST 19 TO NOVEMBER 10, 2023

DISCOVER

Join Mexican filmmaker and pilot Francisco Gutiérrez on his 72-day adventure to raise awareness about butterfly habitat conservation. Produced in collaboration with the Embassy of Mexico, this exhibit features stunning micro-photographic images and aerial photographs.

EXPERIENCE

A special feature of this exhibit is the artwork of King artist Grazyna Tonkiel produced in intricate detail with Prismacolor art pencils and gold leaf.

PLAY

Create a butterfly craft!
Try-on butterfly wings!
Take a selfie!

LEARN

Discover the life cycle of butterflies.
Learn how to help pollinator species.
Visit real butterflies on display
for a limited time (release date TBA).
