Yes, I see on the community page that it is official.

Congratulations! Thank you both for “jumping” on this. Your dedication to your community and this program are appreciated.

Congratulations! NWF has just finished reviewing all your documentation and habitat certifications to verify that you have met your goals and accumulated the points needed to be re-certified as an NWF Community Wildlife Habitat. Thanks for your continuing efforts to help wildlife!

You can also now print your certification certificate directly from your community's profile page.

All the best,
The National Wildlife Federation's Community Wildlife Habitat Team
