

Ardsley Spring Gardening Festival

Sunday, March 10, Noon - 4:30

Snow Date: March 24, Noon - 4:30

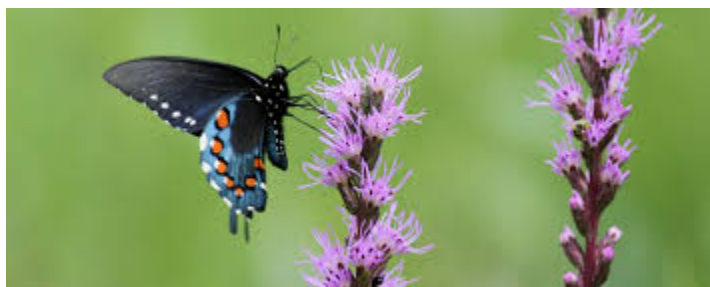

Time	Event
12:00- 1:00	Marbelizing pots and recyclables to create beautiful flower pots. Join the Ardsley Garden Club in this hands-on activity for all ages. Bring your own recyclable containers or use our pots and recyclables to create a beautiful marbled flower pot. All materials supplied. Kids under 12 will need adult supervision. <i>Linda Keil and members of the Ardsley Garden Club.</i> Register here.
1:00 - 2:00	Beauty for the Bees - Easy Jump Start for a Pollinator Garden. Mai Mai Margules, Tarrytown Pollinator Pathway and designer of the public pollinator pathway gardens in Tarrytown, will show you how easy it is to get started with a fool-proof pollinator garden. Tips and tricks, carefree and easy plants, how to source plants, and easy design tips will be offered. Bring your garden ideas for free consultations with Mai Mai!
2:00 - 2:50	Attracting Birds to Your Yard. Join Carol Sommerfield, Chair of the Ardsley Pollinator Pathway, to learn how to easily attract birds to your yard by providing food (plants), shelter, places for nesting, and water. Start having bird fun!

3:00 - 3:45	Common Invasive Plants in Your Yard: Cathy Ludden, conservationist, native plant educator, and board member of the Greenburgh Nature Center will help us identify common invasive plant threats in our yards and tell us the best way to control them. Join Cathy for this informative session that will help you prevent a costly future problem and help pollinators at the same time.
3:45 - 4:30	How YOU Can Save the Monarch Butterfly (in your yard): Our monarch butterflies need us! Through just a few simple steps we can each make a huge difference to help our monarch butterflies not only survive, but thrive. Carol Sommerfield will tell you about our amazing monarchs and what easy native plants will attract and sustain them (and so much more) in your yard.
