RESOLUTION

On motion of Trustee Fleisig, seconded by Trustee Alligood the following Resolution was duly adopted:

71:24 RESOLUTION DECLARING JUNE 2024 POLLINATOR MONTH

WHEREAS, pollination of plants is vital to healthy lands, which in turn provide natural resources for the Nation, including habitat for fish and wildlife; water, mineral, and energy resources; and abundant recreational opportunities for the public; and

WHEREAS, pollinating species help to pollinate approximately three-quarters of the world's plant species; and

WHEREAS, the decline of some North American pollinators is concerning and impacted by the effects of climate change; and

WHEREAS, both public and private lands provide habitats for pollinating species that are critical to healthy ecosystems and the supply of diverse foods; and

WHEREAS, pollinators, found across America in urban and rural areas can connect children and communities to nature, engaging all generations in stewardship activities; and

WHEREAS, the Village of Hastings-on-Hudson's efforts—working closely with the Hastings Pollinator Pathway project as well as the Conservation Commission, businesses, agencies, and the local community to support the health of North American pollinators—are important examples of collaborative conservation and efforts to restore balance to nature;

NOW, THEREFORE, BE IT RESOLVED in recognition of the importance to healthy ecosystems of pollinators and their habitats, and of their value to the Nation's economy, that I, Nicola Armacost, Mayor of Hastings-on-Hudson, do hereby proclaim June 2024,

**“NATIONAL POLLINATORS MONTH”
IN THE VILLAGE OF HASTINGS-ON-HUDSON**

I call upon the Hastings-on-Hudson public to join the Village in recognizing the importance of pollinators and the stewardship role each person plays in providing valuable pollinator habitats throughout the Village. In witness whereof, I have hereunto set my hand and caused to be affixed the seal of the Village of Hastings-on-Hudson, this 21st day of May, 2024.
