Pollinator Gardens are officially added to Rolesville's Land Development Ordinance in 2022!

Pollinator Gardens make their first official appearance on development plans.

- Pollinator Plantings:** At least twenty percent (20%) of the landscaping planted in common areas on the subject property shall utilize plant materials that are listed as Native Pollinator Plants on North Carolina Wildlife Federation ("NCWF") or other resources for native plants recommended by the NCWF on their website, currently found at <https://ncwf.org/habitat/native-pollinator-plants/> Where evergreen plantings or street trees are required by the Rolesville Land Development Ordinance as the same may be amended from time to time, pollinator plantings shall not be required. Nothing herein shall be construed to limit the plant materials permitted on individual residential lots.

A recently approved development includes Pollinator Plantings in their conditions.

More to come in 2023!
