City of Joplin

Joplin, MO

Mayor Ryan Stanley

Pledge Summary

Joplin is a city located in southwest Missouri with a population just over 50,000. We have been a partner with the Mayor's Monarch Pledge for several years, and have established several butterfly habitat areas throughout our community. Joplin is very fortunate to have several volunteers and staff who are passionate in saving and preserving the Monarch Butterfly. We are very excited to continue to grow the habitats that are established but also add new pollinator habitats to our community.
