

# City of Pacific Grove

Pacific Grove, CA

Mayor Bill Peake

## Pledge Summary

Pacific Grove is a community of 15,000 located on the Pacific coast in Monterey County, California. We are an overwintering site for Monarch butterflies and have enormous community support for the iconic butterfly, which is incorporated into our city logo, and is part of the identity of the city. Each year we hold a Butterfly Parade to welcome the butterflies to the Monarch Sanctuary; all the school children participate in the parade, making this event a community-wide celebration. We are sustaining our Monarch Sanctuary and will be continuing and initiating new efforts to encourage residents to plant nectar gardens and maintain safe landscapes for the Monarchs.

## Action Items Committed for 2021

### Communications and Convening

- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)

### Program and Demonstration Gardens

- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Host or support a monarch butterfly festival that is accessible to all residents in the community and promotes monarch and pollinator conservation, as well as cultural awareness and recognition.

### Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.

Mayor Bill Peake	2021	3/12/2021

## Action Items

**In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the number of individuals reached in the answer field below (e.g., 50).**

0.99

**Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Only allow numerical values.)**

1 and 1

**In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3).**

0.99

**Where is your habitat being created? This may include residences (yards, containers, balconies, etc.), schools, places of worship, rights-of-way, roadsides, community gardens, culturally-significant locations, shared public spaces and common areas or parks.**

Unknown

**How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?**

Unknown

**What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?**

Pacific Grove is an overwintering site.

**What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?**

Unknown

**What else should we know about your monarch butterfly conservation efforts over the last year?**

The Monarch Sanctuary has been maintained and improved through Covid

## **Selected Action Items**

**Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)**

**Please describe the methods of public communication below (e.g., printed materials, social media, print media).**

The status of the Monarch Sanctuary has been reported on frequently at the BNRC meetings throughout the year. Planned meetings were cancelled due to Covid restrictions.

**Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.**

**Where is the demonstration garden located and how does this location relate to the cultural significance of the monarch (if relevant)? (Please provide an address or coordinates, if possible)**

A Sanctuary Management Plan is in early stages of process for the sanctuary as well as surrounding neighborhoods and the city as a whole.

**Host or support a monarch butterfly festival that is accessible to all residents in the community and promotes monarch and pollinator conservation, as well as cultural awareness and recognition.**

**Please describe the details of your monarch butterfly festival and how you ensured the event was accessible by all residents in the community (e.g., events, length, notable successes, outreach, location).**

The annual Butterfly Parade was cancelled due to Covid restrictions. A planned event that would have included education on Monarchs and Pollinator Gardens was also cancelled.

**Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.**

**What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?**

The Community Garden has planted native plants.

**What is the status of this action? Please limit your answer to either "complete" or "in progress" in the answer field below.**

In progress

**If this action is In Progress, please describe your progress and a target date when you plan to complete action.**

The BNRC has established a subcommittee to focus on the Monarch Sanctuary and native plantings.
