

# City of Chesterfield

Chesterfield, MO

Mayor Dan Hurt

## Pledge Summary

Chesterfield, Missouri is a city in the St. Louis area. Our population is approximately 50,000. The city is located in west St. Louis County, with rolling, wooded hills and the Chesterfield valley lying next to the Missouri River. We value our parks, open space, and community gardens. Mayor Nation of Chesterfield, Missouri has committed to saving the monarch butterfly and other pollinators with his signing of the Mayors' Monarch Pledge. He looks forward to engaging residents, through the efforts of the Chesterfield Citizens' Environmental Advisory Committee, in building more pollinator habitat in our city.

## Action Items Committed for 2026

### Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Engage with community garden groups and urge them to plant native milkweeds and nectar-producing plants.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.

## Past Pledge Archive

Mayor Dan Hurt	2026	3/26/2026	
Mayor Bob Nation	2025	12/4/2024	Signatories
Mayor Bob Nation	2023	2/22/2023	Signatories
Mayor Bob Nation	2022	5/4/2022	Leadership Circle
Mayor Bob Nation	2021	3/22/2021	

## Action Items

**In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the number of individuals reached in the answer field below (e.g., 50).**

**Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Only allow numerical values.)**

**In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3).**

**Where is your habitat being created? This may include residences (yards, containers, balconies, etc.), schools, places of worship, rights-of-way, roadsides, community gardens, culturally-significant locations, shared public spaces and common areas or parks.**

**How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?**

**What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?**

**What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?**

**What else should we know about your monarch butterfly conservation efforts over the last year?**

## **Selected Action Items**

**Host or support a native seed or plant sale, giveaway or swap.**

**Upload any relevant documents, images, or other attachments related to your effort on this action.**

[Earth Day Flyer 2026.pdf](#)

**How many plants were sold and/or given away at your event?**

**How many people attended your event?**

**What community organizations, groups, or leaders (if any) did you partner with or engage to host the event?**

**Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.**

**Where is the demonstration garden located and how does this location relate to the cultural significance of the monarch (if relevant)? (Please provide an address or coordinates, if possible)**

**What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?**

**What is the size of the demonstration garden (in acres)? Please limit your answer to only the number of acres in the answer field below (e.g., 0.5 acres ). For reference, 1 acre = 43,560 square feet and is about the size of a football field without the end zones.**

**Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.**

**Date of Proclamation:**

March 9, 2026
