

West Norriton Township

Jeffersonville, PA

Township Manager Jason Bobst

Pledge Summary

We started when William Penn's son, William, sold Williamstadt to Isaac Norris and William Trent in 1704. In 1730, the court agreed that Williamstadt should be a township and the Township of Norriton was created. Norriton included what is today West Norriton, Norristown, and East Norriton. In 1812, Norriton was divided and the Borough of Norristown was established. On March 9, 1909, the Township of Norriton was again divided, this time into West Norriton and East Norriton. Currently, we have a population of 15,663 residents and we are located in the Philadelphia suburbs in Montgomery County.

Action Items Committed for 2021

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Add or maintain native milkweed and nectar-producing plants in gardens in the community.
- Display educational signage at monarch gardens and pollinator habitat.

Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.
