

# City of Rolla

ROLLA, MO

Mayor Louis Magdits

## Pledge Summary

Rolla, MO is located in south central Missouri - home to MO University of Science and Technology and surrounded by the Mark Twain National Forest and the Ozarks. Mayor Magdits remains committed to promoting healthy habitat for monarch butterflies, bees and other pollinators including the signing of the Mayor's Monarch Pledge. Working in partnership with the City Parks Department and City Public Works Department as well as Master Gardeners and the local Audubon Society we look forward to promoting better habitat throughout the Rolla area.

## Action Items Committed for 2021

### Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Add or maintain native milkweed and nectar-producing plants in gardens in the community.

Mayor Name	Program Year	Pledge Date	Achievement
Mayor Louis Magdits IV	2023	3/13/2023	
Mayor Louis J Magdits	2022	12/21/2021	Signatories
Mayor Louis Magdits	2021	3/25/2021	Signatories

## Action Items

**In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the**

**number of individuals reached in the answer field below (e.g., 50).**

4000

**Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Only allow numerical values.)**

4000 adults

**In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3).**

1

**Where is your habitat being created? This may include residences (yards, containers, balconies, etc.), schools, places of worship, rights-of-way, roadsides, community gardens, culturally-significant locations, shared public spaces and common areas or parks.**

Rolla Missouri city parks, Audubon Trail, Bray Conservation Area

**How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?**

As Rolla is a rural community of just around 20,000, we work to engage all citizens in this effort.

**What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?**

Realizing the vital role in agriculture and the eco system that pollinators play, it's important for the future of our species to educate and protect.

**What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?**

Missouri Prairie Foundation, Missouri Department of Conservation, Phelps County Extension Service, Rolla Bee Club, Master Gardeners, Master Naturalist

**What else should we know about your monarch butterfly conservation efforts over the last year?**

We had articles in the local paper and interviews on local radio stations.

## Selected Action Items

**Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.**
