City of Moorpark

Moorpark, CA

Mayor Chris Enegren

Pledge Summary

Moorpark is a city located in Ventura County, California. With a population of roughly 36,000 residents, Moorpark is situated in an idyllic valley surrounded by rolling hills, agriculture, and many wholesale plant nurseries. Moorpark is known for its abundance of city parks and small town charm. Moorpark has committed to monarch and pollinator conservation through planting efforts in city parks and landscapes that support these populations.

Action Items Committed for 2026

Communications and Convening

- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Launch, expand, or continue an invasive species removal program that will support the re-establishment of native habitat for monarch butterflies and other pollinators.

Action Items

In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the

Created with the DynamicPDF Essentials Edition. [u47:v1.14.0.49966]

number of individuals reached in the answer field below (Enter WHOLE NUMBERS only.).

297

Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Enter WHOLE NUMBERS only.)

100

In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3). Note: 1 acre = roughly the size of a football field.

.5

Where was the habitat created this year? Example locations may include residences, schools, places of worship, rights-of-way, roadsides, community gardens, shared public spaces, and more.

Open space

How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?

Seed giveaways

What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?

Environmental stewardship

What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?

Would like to see access to native milkweed seeds

What else should we know about your monarch butterfly conservation efforts over the last year?

We've hosted milkweed giveaways as part of Earth Day, and promoted native plant restoration

Selected Action Items

Created with the DynamicPDF Essentials Edition. [u47:v1.14.0.49966]

Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.

Where is the demonstration garden located and how does this location relate to the cultural significance of the monarch (if relevant)? (Please provide an address or coordinates, if possible)

What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?

What is the size of the demonstration garden (in acres)? Please limit your answer to only the number of acres in the answer field below (e.g., 0.5 acres). For reference, 1 acre = 43,560 square feet and is about the size of a football field without the end zones. Note: 1 acre = roughly the size of a football field.

Host or support a native seed or plant sale, giveaway or swap.

How many plants were sold and/or given away at your event? (Enter WHOLE NUMBERS only)

200

How many people attended your event? (Enter WHOLE NUMBERS only)

300

What community organizations, groups, or leaders (if any) did you partner with or engage to host the event?

City of Moorpark Parks Department, Moorpark Teaching Zoo

Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

How many community organizations and groups participated? Please list them below.

City of Moorpark Parks Department

Please describe the extent of engagement with these groups and revisions/maintenance implemented for mowing or planting programs.

Replanting of pollinator supporting plant material at Peach Hill Park

Created with the DynamicPDF Essentials Edition. [u47:v1.14.0.49966]

Launch, expand, or continue an invasive species removal program that will support the re-establishment of native habitat for monarch butterflies and other pollinators.

What is the total acreage of land treated to remove invasive plants? Note: 1 acre = roughly the size of a football field.

3

Please describe the extent of revisions or maintenance to invasive species removal programs, as well as the practices or techniques used to remove the invasive plants.

Invasive plant removal and native plant replacement project along Serenata Trail and Miller Park
