

Albuquerque

Albuquerque, NM

Mayor Tim Keller

Pledge Summary

Albuquerque is the largest city in New Mexico. Its varied landscape, from the banks of the Rio Grande to Chihuahuan desert mesas and the foothills of the Sandia Mountains, supports diverse wildlife communities. Our city is home to many endemic and migratory species, including a diversity of butterflies and other pollinators. Mayor Keller is committed to advancing Albuquerque as a leader in resilient, equitable and long-term environmental solutions, and he pledges to raise awareness and community support for the conservation of monarchs and other pollinators. A hive mind of leaders from the ABQ BioPark, Albuquerque's Open Space division and other community stakeholders will build upon existing education and engagement programs to advocate for pollinator protection.
