Moon Township

Moon, PA

Chair of Moon Township Board of Supervisors John Hertzer

Pledge Summary

Moon Township is a suburb of Pittsburgh in Western Pennsylvania. The Township is home to a population of approximately 25,000 people. Moon Township has a long standing tradition of investment in public parks and open space. The township has three landmark parks that feature over 600 acres of open space and over 15 miles of hiking trails. In 2019 the Township began converting open areas of both Robin Hill Park and Moon Park into no-mow wildflower meadows. These meadows have been planted with a special blend of native wildflowers and grasses specifically for pollinators. At the end of 2021 we will have over 2 acres planted. In addition, the theme of our 2021 Earth Day event on Sunday, April 25th is "Save the Monarchs." The event will feature pollinator specific activities and information.
