City of Elk River

Elk River, MN

Mayor John Dietz

Pledge Summary

The City of Elk River is located in Minnesota with a population of 24,000. The city is located along the Mississippi River and just north of the Twin Cities metro area. The city joined the Mayors' Monarch Pledge program after a local business restored nine acres of native pollinator habitat. The city supports such efforts and works to incorporate native plants into city practices.

Action Items Committed for 2022

Communications and Convening

- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.
- Launch, expand, or continue an invasive species removal program that will support the re-establishment of native habitat for monarch butterflies and other pollinators.

Systems Change

- Change weed or mowing ordinances to allow for native prairie and plant habitats.
- Integrate monarch butterfly conservation into the city’s Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.
- Reduce or eliminate the use of herbicides, pesticides, or other chemicals that are harmful to monarchs and pollinators and urban wildlife.
