City of Cedar Park

Cedar Park, TX

Mayor James Penniman-Morin

Pledge Summary

Cedar Park is a community of approximately 90,000 residents just north of the City of Austin. The city and its residents are committed to protecting the monarch and pollinator conservation through efforts to engage community members in the education of this important endeavor. Mayor Penniman-Morin is passionate about the conservation of the monarch and the importance of developing outreach and educational programs, installation of pollinator gardens and overall conservation efforts to promote native plants and wildlife.
