Flagstaff, AZ

Mayor Becky Daggett

## Pledge Summary

Flagstaff, Arizona is a city of roughly 78,000 people located at the base of the San Francisco Peaks in Northern Arizona. Surrounded by national forest land and boundless outdoor recreation opportunities, Flagstaff is also home to 3 city run community gardens and a thriving network of organizations involved in food systems. In 2026, Mayor Becky Daggett has committed to a 6th year of pollinator preservation through educational programs, dedicated pollinator gardens, green spaces, and invasives removal efforts. We deeply value our partnerships with schools, educators, businesses, county, and state programs; all of which share this dedication in maintaining our pollinator and monarch programs.
