City of Mountain View

Mountain View, CA

Mayor Emily Ann Ramos

Pledge Summary

The City of Mountain View is looking forward to participating in its fifth year of the Mayor's Monarch Pledge and continuing our efforts to support the monarch population in Mountain View. The City plans to plant pollinators and milkweed in a sensitive habitat area at Shoreline Regional Park. We will also continue to maintain the existing pollinator habitats that have been planted in recent years through having volunteers remove invasive weeds and replace any dead plants. The City will also continue our Seed Library Program where pollinator seeds are provided to the library from the various pollinator habitats that have been created. Lastly, Mountain View will continue the process of creating a Biodiversity and Urban Forestry Plan that is expected to be completed in 2026.

Action Items Committed for 2026

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Facilitate or support a milkweed seed collection and propagation effort.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.

Systems Change

- Integrate monarch butterfly conservation into the city’s Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.

Mayor Name	Program Year	Pledge Date	Achievement
Mayor Emily Ann Ramos	2026	3/25/2026	
Mayor Pat Showalter	2025	12/20/2024	Signatories
Mayor Alison Hicks	2024	12/19/2023	Signatories
Mayor Lucas Ramirez	2023	12/21/2022	Signatories
Mayor Ellen Kamei	2022	12/22/2021	Signatories

Action Items

Created with the DynamicPDF Essentials Edition. [u730:v1.14.0.49966]

In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the number of individuals reached in the answer field below (Enter WHOLE NUMBERS only.).

Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Enter WHOLE NUMBERS only.)

In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3). Note: 1 acre = roughly the size of a football field.

Where was the habitat created this year? Example locations may include residences, schools, places of worship, rights-of-way, roadsides, community gardens, shared public spaces, and more.

How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?

What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?

What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?

What else should we know about your monarch butterfly conservation efforts over the last year?

Selected Action Items

Host or support a native seed or plant sale, giveaway or swap.

How many plants were sold and/or given away at your event? (Enter WHOLE NUMBERS only)

How many people attended your event? (Enter WHOLE NUMBERS only)

What community organizations, groups, or leaders (if any) did you partner with or engage to host the event?

Facilitate or support a milkweed seed collection and propagation effort.

How many people attended your event? (Enter WHOLE NUMBERS only)

What species were collected or propagated?

What community organizations, groups, or leaders (if any) did you partner with or engage to host the event?

Please describe the milkweed seed collection and propagation effort that you hosted.

Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.

Where is the demonstration garden located and how does this location relate to the cultural significance of the monarch (if relevant)? (Please provide an address or coordinates, if possible)

What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?

What is the size of the demonstration garden (in acres)? Please limit your answer to only the number of acres in the answer field below (e.g., 0.5 acres). For reference, 1 acre = 43,560 square feet and is about the size of a football field without the end zones. Note: 1 acre = roughly the size of a football field.

Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.

Where are the medians, roadsides and public rights-of-way? (Please provide an address or coordinates, if possible, or describe the location)

How many milkweed and pollinator-friendly native nectar plants were planted? (Enter WHOLE NUMBERS only)

What is the total acreage of median and public right-of-way that has been planted with milkweed and pollinator-friendly native nectar plants? Note: 1 acre = roughly the size of a football field.

Please describe the maintenance schedule for these planted areas.

Integrate monarch butterfly conservation into the city's Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.

What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?

City Council, Parks and Recreation Commission, Green Spaces MV, Santa Clara Valley Bird Alliance, Sierra Club, San Francisco Estuary Institute

What is the status of this action? Please limit your answer to either "complete" or "in progress" in the answer field below.

Complete

If this action is Complete, please include the date it was completed and share a 1-2 sentence description. Please include a copy of the policy by uploading or linking below.

June 23, 2026

If this action is In Progress, please describe your progress and a target date when you plan to complete action.

The City of Mountain View is partnering with the San Francisco Estuary Institute (SFEI) (External link) to develop a city-wide Biodiversity and Urban Forest Plan built on science-based guidance and community needs, values, and priorities. This Plan will be the first of its kind in the bay area to provide a clear set of priorities, goals, and objectives for increasing and supporting biodiversity for the long-term future. Here is the link to the Plan: https://www.mountainview.gov/home/showdocument?id=13415&t=639203415131438550
