

# City of Madison

Madison, WI

Mayor Satya Rhodes-Conway

## Pledge Summary

The City of Madison has an active, outdoorsy culture and we take great pride in our many public parks and green spaces. We consider ourselves leaders in enhancing our use of public green space to include not just recreation or utilitarian function, but also wildlife habitat and refuge. Supporting monarch conservation fits right in with these visions and also supports the explicitly stated goals of the Pollinator Protection Task Force and our general sustainability goals. Pollinator conservation is also a great touchpoint to inform the public about the benefits of ecological restoration.
