

# City of Fargo

Fargo, ND

Mayor Dr. Timothy Mahoney

## Pledge Summary

Everywhere along its migration route, the habitat that the Monarch butterfly needs to survive is disappearing. The dilemma of the Monarch has made news in recent years, and Fargo is one of many cities across the country encouraging residents to create pollinator habitat, which in combination with agriculture production and home gardens may increase plant yields. There has also been discussion amongst many departments within the City regarding mowing schedules, using native grasses and wildflowers in place of mown turf, which reduces maintenance costs, beautifies the landscape, contributes to pollinator conservation and promotes ecofriendly sustainability.

## Action Items Committed for 2022

### Communications and Convening

- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.

### Systems Change

- Integrate monarch butterfly conservation into the city's Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.
