

# Town of Selma

Selma, NC

Mayor Byron McAllister

## Pledge Summary

Selma, NC was officially chartered as a Town on February 11, 1873, but the Town's true birth took place on May 1, 1867. Selma was born as and still is a "Railroad Town," and our rail heritage is still evident today, with our recently renovated 1924 Union Depot (Selma Union Depot) supporting Amtrak service. The Town of Selma is located at the corner of I-95 and future I-42 (Current US Highway 70) with a growing population of about 7,000. We are working to improve our horticulture operations in the Town of Selma and do our part to improve the environment. We feel taking this Pledge is a great step towards that goal.

## Action Items Committed for 2022

### Communications and Convening

- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.
- Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.

### Program and Demonstration Gardens

- Convert vacant lots to monarch habitat.
- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.

## Past Pledge Archive

Mayor Name	Program Year	Pledge Date	Achievement
Mayor Byron McAllister	2022	3/9/2022

0.09

**Where is your habitat being created? This may include residences (yards, containers, balconies, etc.), schools, places of worship, rights-of-way, roadsides, community gardens, culturally-significant locations, shared public spaces and common areas or parks.**

Selma Memorial Gardens

**How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?**

the Town is using this program to reach out to all our communities, no matter income or race.

**What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?**

Monarch butterfly are a natural part of this community and we work hard to help them thrive in our area.

**What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?**

Community outreach has been the most helpful, talking to local residents and engagement with local nursery

**What else should we know about your monarch butterfly conservation efforts over the last year?**

Taking the Pledge was the first step in our local community, we look forward to many more gardens and programs to help make this town a natural home for Monarch Butterfly
