City of Gastonia

Gastonia, NC

Mayor Walker E. Reid

Pledge Summary

Gastonia, N.C., just minutes west of Charlotte, is one of the area's best places to live and work with an ideal combination of location, size and livability. Gastonia is the largest of Gaston County's 15 municipalities and one of the largest cities in the Charlotte metropolitan area. Selected as an All-America City three times, Gastonia's desirable quality of life is the result of its beautiful natural surroundings, friendly neighborhoods, responsive government and vibrant business environment.

Action Items Committed for 2023

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.

Program and Demonstration Gardens

- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Host or support a monarch butterfly festival that is accessible to all residents in the community and promotes monarch and pollinator conservation, as well as cultural awareness and recognition.

Where was the habitat created this year? Example locations may include residences, schools, places of worship, rights-of-way, roadsides, community gardens, shared public spaces, and more.

Community Garden, Fire stations, Downtown beds

How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?

Our community garden is located within a historically black neighborhood and we have planted all native pollinator plants in all the beds that went unrented and the front bed to promote all pollinators.

What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?

We have been a Bee City USA Affiliate since 2018 so this was a natural fit.

What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?

Enjoy the newsletter. Wish I had more time to attend some of the webinars/meet ups this year.

What else should we know about your monarch butterfly conservation efforts over the last year?

Our main efforts are to promote the planting of native plants and creating/maintaining wildlife habitats at 9 different locations throughout the city.

Where is the demonstration garden located and how does this location relate to the cultural significance of the monarch (if relevant)? (Please provide an address or coordinates, if possible)

7 mini meadows with pollinator friendly native seeds were installed at 7 fire stations throughout the city. There was an agreement that the fire department would tend to each "meadow", not spray any pesticides or mow over the area as it is a protected wildlife area as well. At the of the season, late November it would be mowed over to re-seed for the next year.

What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?

Please describe the details of your monarch butterfly festival and how you ensured the event was accessible by all residents in the community (e.g., events, length, notable successes, outreach, location).

The event was named Beetopia back in 2018, when we became a Bee City USA Affiliate and we haven't changed the name. Beetopia was created as a family-friendly event to educate, entertain, and inform citizens on the importance of pollinators and plants. It's held each year at the Gastonia Farmers Market and all vendors are asked to have information on all kinds of pollinators not just bees.
