Town of Rolesville

Rolesville, NC

Mayor Ronnie Currin

Pledge Summary

The Town of Rolesville, North Carolina, is one of the fastest-growing communities in Wake County and is committed to maintaining a high quality of life through responsible growth, environmental stewardship, and the protection of natural resources. Rolesville's parks, green spaces, and trails—including Main Street Park, Redford Place Park, and Mill Bridge Nature Park—serve as important community gathering spaces and provide valuable habitat for wildlife and pollinators. By participating in the Mayors' Monarch Pledge, Rolesville affirms its commitment to supporting the conservation of the Monarch butterfly and other pollinators that play a vital role in maintaining healthy ecosystems. The Town will work to expand pollinator-friendly habitat by planting native milkweed and nectar-producing plants, enhancing existing greenways and park landscapes, and promoting public education and community engagement initiatives focused on pollinator conservation. Through partnerships with residents, schools, local organizations, and regional environmental groups, Rolesville aims to create and sustain pollinator habitats throughout the community. These efforts will contribute to protecting monarch populations while strengthening Rolesville's commitment to environmental sustainability and ecological resilience for future generations.
