Village of Hawthorn Woods

Hawthorn Woods, IL

Mayor Dominick DiMaggio

Pledge Summary

The Village of Hawthorn Woods, Illinois, located just 35 miles north of the City of Chicago with approximately 9,062 residents, is an upscale, friendly “rural by design” community. As a certified Bee City USA and Tree City USA affiliate, an Audubon International Sustainable Community, and an International Dark Sky Community, the Village is fiercely committed to protecting our natural resources, boasting twenty-four park sites and two pollinator habitats – Brierwoods Preserve and Meadowlark Park and Arboretum. Mayor Dominick DiMaggio of the Village of Hawthorn Woods, Illinois, has committed to saving the Monarch butterfly and other pollinators with the signing of the Mayors’ Monarch Pledge and looks forward to expanding pollinator environments throughout the community.

Action Items Committed for 2022

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species’ need for habitat. This proclamation must incorporate a focus on monarch conservation.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Launch, expand, or continue an invasive species removal program that will support the re-establishment of native habitat for monarch butterflies and other pollinators.

Action Items

Created with the DynamicPDF Essentials Edition. [u437:v1.14.0.49966]

In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the number of individuals reached in the answer field below (Enter WHOLE NUMBERS only.).

9062

Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Enter WHOLE NUMBERS only.)

2,537 youth and 6,525 adults

In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3). Note: 1 acre = roughly the size of a football field.

2

Where was the habitat created this year? Example locations may include residences, schools, places of worship, rights-of-way, roadsides, community gardens, shared public spaces, and more.

Pollinator pockets were created within 22 of our neighborhood island cul-de-sacs throughout the Village of Hawthorn Woods, totaling 1.5 acres. The Phoebe Snetsinger Memorial Garden was also implemented this year in our Community Park, which is a 1/2-acre pollinator garden.

How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?

The Village of Hawthorn Woods Brierwoods Preserve and Meadowlark Park and Arboretum are both public parks consisting of pollinator habitats, open year-round from

What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?

As a proclaimed waystation for the Monarch Butterfly, the Village of Hawthorn Woods remains steadfast in our commitment to sustainable environmental stewardship.

What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?

The Village of Hawthorn Woods is proud to partner with the Illinois Monarch Project to educate, inform, and advocate for the further establishment of pollinator habitats in residential communities. As a new resource, the Village would welcome funding

Indian Creek Restoration Day 2.19.22.jpg

What is the total acreage of land treated to remove invasive plants? Note: 1 acre = roughly the size of a football field.

A total of 1.5 acres of buckthorn was removed at our yet to be dedicated Indian Creek Preserve and a total of 5.5 acres of teasel was removed at our Meadowlark Park and Arboretum and our Community Park.

Please describe the extent of revisions or maintenance to invasive species removal programs, as well as the practices or techniques used to remove the invasive plants.

All invasive buckthorn and teasel were removed by hand, including all root systems. This extensive invasive removal was conducted by our Parks staff and numerous volunteer groups, such as: Friends of Indian Creek Wetlands; Greenest Region Corps; Hawthorn Woods in Bloom Committee; Stevenson High School Green Team.

Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.

Date of Proclamation:

April 25, 2022

Title of Proclamation (i.e. – Monarch Day or Pollinator Week):

Village of Hawthorn Woods Reaffirms Commitment as a Monarch Butterfly Way Station Community
