

# City of Dalworthington Gardens

Dalworthington Gardens, TX

Mayor Laurie Bianco

## Pledge Summary

The City of Dalworthington Gardens, Texas is a rural oasis in the heart of the Dallas-Fort Worth metroplex. The City covers an area of almost 2 square miles and has a population of approximately 2,200. A 43-acre park includes a lake and offers a chance for people to relax and enjoy being in nature. Mayor Bianco of Dalworthington Gardens first took the Mayor's Monarch Pledge in 2019. Eight action items were pledged to qualify the City as part of the Leadership Circle, a status that we continue to work to maintain to raise awareness in the community and encourage conservation practices to support the monarch butterfly. A garden in Gardens Park was reworked in response to one of the first year's action items. It now better supports monarch butterflies on their migration and has received designation as a Monarch Waystation.
