# City of Rolling Meadows

Rolling Meadows, IL

Mayor Lara Sanoica

## Pledge Summary

The City of Rolling Meadows is a city roughly 20 miles Northwest of Chicago, IL with a population of approximately 25,000 residents. The city has an abundance of parks and public space. In addition to it's public spaces and parks, there are community gardens. These community gardens are plots of green space where residents can grow produce and flowers. The City of Rolling Meadows, Illinois has committed to saving the monarch butterfly and other pollinators with the signing of the Mayors' pledge and look forward to encouraging residents to plant more native plants and flowers giving our indigenous pollinators more to feed on.

## Action Items Committed for 2026

### Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species’ need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with community garden groups and urge them to plant native milkweeds and nectar-producing plants.
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.
- Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Facilitate or support a milkweed seed collection and propagation effort.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.
