Village of Mokena

Mokena, IL

Mayor George Metanias

Pledge Summary

The Village of Mokena is committed to supporting monarch butterfly conservation and promoting pollinator habitat within the community. Through public education, pollinator-friendly landscaping, and collaboration with local organizations, the Village will encourage the planting of native milkweed and nectar-producing plants in public spaces and private landscapes. Mokena will continue to identify opportunities to enhance natural habitats and raise awareness about the importance of pollinators to our local ecosystem.
