

# Village of Mokena

Mokena, IL

Mayor George Metanias

## Pledge Summary

The Village of Mokena is committed to supporting monarch butterfly conservation and promoting pollinator habitat within the community. Through public education, pollinator-friendly landscaping, and collaboration with local organizations, the Village will encourage the planting of native milkweed and nectar-producing plants in public spaces and private landscapes. Mokena will continue to identify opportunities to enhance natural habitats and raise awareness about the importance of pollinators to our local ecosystem.
