Borough of Malvern

Malvern, PA

Mayor Pete Papadopoulos

Pledge Summary

Malvern Borough is a historic small town in Chester County, Pennsylvania, with a vibrant downtown and a strong sense of community. Surrounded by tree-lined neighborhoods, parks, and open spaces, Malvern values environmental stewardship and thoughtful growth. By signing the Mayors' Monarch Pledge, the Borough is committing to support monarch butterflies and other pollinators through the expansion of native plantings, habitat creation in public spaces, and community education efforts. Malvern looks forward to engaging residents, local organizations, and schools in building and maintaining pollinator-friendly landscapes that strengthen biodiversity and enhance the beauty of the Borough.

Action Items Committed for 2026

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Facilitate or support a milkweed seed collection and propagation effort.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Display educational signage at monarch gardens and pollinator habitat.

Systems Change

- Change weed or mowing ordinances to allow for native prairie and plant habitats.
