

City of Watertown

Watertown, MA

City Manager George Proakis

Pledge Summary

Watertown is a city in the greater Boston area with a population of just over 35,000. Our community, though highly urbanized, boasts important natural resources, from protected open space along the Charles River to our growing number of pocket parks and community gardens. The City's administration, City staff, and many residents care deeply about the role in protecting and promoting pollinator species such as the monarch butterfly and continue to engage with residents, businesses, and neighborhood groups on the importance of providing pollinator habitat throughout the city.
