

# Village of Wauconda

Wauconda, IL

Mayor Jeff A. Sode

## Pledge Summary

On behalf of the Village of Wauconda, I proudly reaffirm our full commitment to the Mayor's Monarch Pledge. We recognize the vital role monarch butterflies and other pollinators play in sustaining healthy ecosystems and vibrant communities. Our Village is dedicated to protecting and restoring monarch habitats through education, conservation efforts, and the expansion of native plantings throughout our community. Together, we will take meaningful action to ensure future generations can continue to witness the beauty and importance of the monarch butterfly.

## Action Items Committed for 2026

### Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with community garden groups and urge them to plant native milkweeds and nectar-producing plants.
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.
- Engage with Homeowners Associations (HOAs), Community Associations or neighborhood organizations to identify opportunities to plant monarch gardens and revise maintenance and mowing programs.
- Engage with developers, planners, landscape architects, and other community leaders and organizers engaged in planning processes to identify opportunities to create monarch habitat.
- Create a community art project to enhance and promote monarch and pollinator conservation as well as cultural awareness and recognition.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.

- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.

## Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.
- Reduce or eliminate the use of herbicides, pesticides, or other chemicals that are harmful to monarchs and pollinators and urban wildlife.
