City of Mansfield

Mansfield, OH

Mayor Jodi Perry

Pledge Summary

The City of Mansfield, with a population of approximately 48,000 and home to 22 parks spanning over 2,500 acres in Richland County, Ohio, is committed to supporting pollinators and their vital role in our ecosystem. We pledge to educate our citizens and visitors about the importance of native pollinator gardens and their benefits. As part of this initiative, we plan to establish several pollinator-friendly gardens across our parks to attract and support Monarch butterflies, birds, bees, and other essential pollinators. Together, we can protect these incredible species and foster a thriving natural environment for generations to come.

Action Items Committed for 2025

Communications and Convening

- Engage with community garden groups and urge them to plant native milkweeds and nectar-producing plants.
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.
- Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.

Program and Demonstration Gardens

- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Launch or maintain an outdoor education program(s) (e.g., at schools, after-school programs, community centers and groups) that builds awareness and creates habitat by engaging students, educators, and the community in planting native milkweed and pollinator-friendly native nectar plants (i.e., National Wildlife Federation’s Schoolyard Habitats program and Monarch Mission curriculum).
- Initiate or support community science (or citizen science) efforts that help monitor monarch migration and health.
- Display educational signage at monarch gardens and pollinator habitat.

Systems Change

- Remove milkweed from the list of noxious plants in city weed / landscaping ordinances (if applicable).
- Change weed or mowing ordinances to allow for native prairie and plant habitats.
