# Town of Vienna

Vienna, VA

Mayor, Vienna Va. Linda Colbert

## Pledge Summary

The Town of Vienna, with a population of 16,000 and just 15 miles from the Nation's Capital, continues as an oasis of natural beauty in a rapidly urbanizing corner of the state. Central to the Town's landscape are 10 Town Parks that make up 15 percent of the Town's land area. Vienna is also home to national and regional treasures including Wolf Trap National Park, Meadowlark Botanical Gardens, and several miles of the Washington and Old Dominion Trail that offer acres of gardens attracting a wide variety of pollinator species. The Town is committed to maintaining and expanding its pollinator habitat as well as promoting action among its citizenry consistent with Monarch Pledge goals.

## Action Items Committed for 2022

### Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Engage with community garden groups and urge them to plant native milkweeds and nectar-producing plants.
- Engage with gardening leaders and partners (e.g., Master Naturalists, Master Gardeners, Nature Centers, Native Plant Society Chapters , other long-standing and influential community leaders) to support monarch butterfly conservation.

### Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Earn or maintain recognition for being a wildlife-friendly city by participating in other wildlife and habitat conservation efforts (i.e., National Wildlife Federation's Community Wildlife Habitat program).
- Launch, expand, or continue an invasive species removal program that will support the re-establishment of native habitat for monarch butterflies and other pollinators.

### Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.
