

City of Charleston

Charleston, IL

Mayor Dr. Brandon Combs

Pledge Summary

Charleston is a community in east central Illinois with approximately 17,000 located in the Grand Prairie eco-region in Illinois. Charleston has partnered with the non-profit organization Urban Butterfly Initiative to provide environments that prompt conservation of the monarch butterfly and other pollinators, while at the same time engaging the community with spaces and activities revolving around nature and non-consumptive uses of natural resources.
