Borough of Englewood Cliffs

Englewood Cliffs, NJ

Mayor Mark Park

Pledge Summary

Englewood Cliffs is a borough located in Bergen County, New Jersey, with a population of approximately 5,300 residents and around 3,500 households. Situated north of the George Washington Bridge, the borough offers stunning views of the Hudson River from the breathtaking Palisade Cliffs. Recently, Englewood Cliffs passed a resolution to raise awareness about the decline of the monarch butterfly. The borough plans to collaborate with parks and recreation areas to promote monarch butterfly conservation and encourage community involvement in activities aimed at preserving natural habitats.

Action Items Committed for 2025

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.
- Create a community art project to enhance and promote monarch and pollinator conservation as well as cultural awareness and recognition.

Program and Demonstration Gardens

- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.
- Host or support a monarch neighborhood challenge to engage neighborhoods and homeowners' associations within the community to increase awareness, support community unity around a common mission, and/or create habitat for the monarch butterfly.

Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.
- Integrate monarch butterfly conservation into the city's Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.
