City Of Huber Heights

Huber Heights, OH

Mayor Jeff Gore

Pledge Summary

Huber Heights, OH is located between Carriage Hill Metropark (a 900+ acre historical farm) owned by Five Rivers Metroparks and Thomas A. Cloud Park, a City of Huber Heights Park. Thomas A. Cloud Park will be home to a new and updated pollinator garden including a native plant seed collection box. With 12 municipal parks and a Community Garden program, it is no surprise that one of the core values is Environmental Sustainability. 2026 Environmental Projects include removing invasive Bradford Pear Trees and replacing with native heritage trees. As a municipal government, it is our duty to protect our green spaces, providing safe plays to discover and protect all animals that inhabit the parks.

Action Items Committed for 2026

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Create a community-driven educational conservation strategy, initiative, or practice that focuses on and benefits local, underserved residents.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Display educational signage at monarch gardens and pollinator habitat.
- Add or maintain native milkweed and nectar-producing plants in gardens in the community.

Systems Change

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.
