City of St. Louis

St. Louis, MO

Mayor Cara Spencer

Pledge Summary

The City of St. Louis is located on the eastern border of Missouri along the banks of the mighty Mississippi River. This location is a natural byway for Monarch butterfly migration. In 2014, St. Louis began its Milkweeds for Monarchs initiative and has established well over 400 green spaces with milkweed and nectar sources to support the Monarch and other pollinators. Mayor Cara Spencer continues the City's important efforts to support pollinators and connect residents with nature. Monarch and pollinator gardens will continue to be established and maintained along greenways, in city parks, neighborhoods, schools and at homes across St. Louis.
