City of Galveston

Galveston, TX

Mayor Craig Brown

Pledge Summary

Galveston is a Coastal City with a population of approximately 53,000. Being a Coastal City we are blessed with a diversification of flora and fauna. Mayor Brown of Galveston has committed to saving the Monarch Butterfly and other pollinators with the signing of the Mayors Monarch Pledge. The City of Galveston looks forward to supporting this goal with varied events that take place throughout the year and to continue to educate our residents and visitors to the positive impact the Monarch Butterfly has on our entire ecosystem.
