Edmond

Edmond, OK

Mayor Darrell Davis

Pledge Summary

Edmond Oklahoma is in the central part of Oklahoma. With a growing population nearing 100,000 environmental and nature preservation are a concern of the citizens. Our parks themselves provide large-scale support that contributes to monarch conservation. Specifically, on the west side of Edmond, our maintenance team provides all of the necessary elements to not only support monarch butterflies, but to help a plethora of other pollinators and wildlife. This provides the added benefit of providing an aesthetically pleasing space for our community to enjoy with opportunities to observe many creatures, including monarchs. We utilize both native and non-native milkweeds around The Multi-Activity Center, and YMCA, .

Action Items Committed for 2025

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Plant or maintain a monarch and pollinator-friendly demonstration garden at City Hall or another prominent or culturally significant community location.
- Plant milkweed and pollinator-friendly native nectar plants along roadsides, medians, or public rights-of-way.
- Add or maintain native milkweed and nectar-producing plants in gardens in the community.
- Display educational signage at monarch gardens and pollinator habitat.

Systems Change

- Integrate monarch butterfly conservation into the city's Park Master Plan, Sustainability Plan, Climate Resiliency Plan or other city plans.
- Reduce or eliminate the use of herbicides, pesticides, or other chemicals that are harmful to monarchs and pollinators and urban wildlife.
