The Village of Hopewell

Hopewell, IL

President John Mayerhofer

Pledge Summary

The Village of Hopewell is a small municipality just north of Peoria, IL, located on the river bluffs of the Illinois River. The community houses 420 residents and is zoned entirely residential. The Village is home to many native flora and fauna with two Illinois Nature Preserves located within its boundaries. The natural wooded and prairie landscape makes Hopewell an ideal place for many native species, and the President and Board of Trustees look forward to implementing measures to help protect Monarchs and other pollinators for years to come.
