Northville

Northville, MI

Mayor Brian Turnbull

Pledge Summary

Northville is a leading community in sustainability in both Wayne and Oakland Counties, where the municipality is the only one that sits in both. The city of Northville has established a sustainability committee that has been in operation since 2019 and has led the charge on many aspects, under their jurisdiction in Wayne County, working with county officials... examples of activities of our sustainability team include being a Tree City USA (5 years running)... reduction in invasive species in our 750 acres of park land, and river access... control of pesticides that are harmful to the environment, along with working along with our Department of Public Works (DPW) to use less salts and less environmentally unfriendly chemicals. Mayor Turnbull is looking forward to committing to signing the Mayor's Monarch Pledge engaging Northville in sustainable activities for pollinators, trees, and other environmental aspects.

Action Items Committed for 2026

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Host or support a native seed or plant sale, giveaway or swap.
- Add or maintain native milkweed and nectar-producing plants in gardens in the community.
- Display educational signage at monarch gardens and pollinator habitat.

Systems Change

- Remove milkweed from the list of noxious plants in city weed / landscaping ordinances (if applicable).

Created with the DynamicPDF Essentials Edition. [u1445:v1.14.0.49966]

- Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.

Past Pledge Archive

Mayor Name	Program Year	Pledge Date	Achievement
Mayor Brian Turnbull	2026	3/30/2026	

Action Items

In total, how many individuals have been reached through the Mayors' Monarch Pledge in your community this year (Jan-Dec)? Please limit your answer to only the number of individuals reached in the answer field below (Enter WHOLE NUMBERS only.).

Of the total number of individuals engaged, how many youth (0-18) were reached through the Mayors' Monarch Pledge in your community this year (Jan. - Dec.)? If none, please write 0." (Enter WHOLE NUMBERS only.)

In total, how many acres of monarch habitat have been created in your city in the last 12 months? Please limit your answer to only the number of acres in the answer field below (e.g., 3). Note: 1 acre = roughly the size of a football field.

Where was the habitat created this year? Example locations may include residences, schools, places of worship, rights-of-way, roadsides, community gardens, shared public spaces, and more.

How are you leveraging the Mayors' Monarch Pledge program to engage marginalized communities, such as low-income communities or communities of color?

What was your community's motivation for taking and continuing to work on the Mayors' Monarch Pledge?

What resources have been most helpful to you thus far and what new resources would you like to see to help meet your goals? What resources would be useful to help expand equitable engagement in community processes and access to high-quality, usable nature?

What else should we know about your monarch butterfly conservation efforts over the last year?

Selected Action Items

Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.

What community organizations, groups, or leaders (if any) did you partner with or engage to complete this effort?

City of Northville Beautification Commission

What is the status of this action? Please limit your answer to either "complete" or "in progress" in the answer field below.

Complete

If this action is Complete, please include the date it was completed and share a 1-2 sentence description. Please include a copy of the policy by uploading or linking below.

The Northville City Ordinance follows the State of Michigan's list of noxious weeds. Noxious and poisonous weeds means all species identified in the State of Michigan's noxious weeds, and the restricted noxious weed list available from the Michigan Department of Agriculture and Rural Development, as established under Act 329 of 1965. Therefore, milkweed is NOT considered a noxious weed in the city.

Increase the percentage of native plants, shrubs and trees that must be used in city landscaping ordinances and encourage use of milkweed, where appropriate.

What is the status of this action? Please limit your answer to either "complete" or "in progress" in the answer field below.

Complete

Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Please describe the extent of engagement with these groups and revisions/maintenance implemented for mowing or planting programs.

In the newly dedicated River Park in Downtown Northville, the city planted over 1,400 hardwood trees, including [TBD] and [TBD] and native plants throughout the park designed to encourage pollinators and wildlife to re-establish the riverbank.
