

Village of Island Lake

Island Lake, IL

Mayor Richard McLaughlin

Pledge Summary

The Friendly Village of Island Lake is a small community of roughly 8,000 residents located in the north eastern part of Illinois. It is home to a varied landscape that includes a lake, many attractive parks, a thriving community garden, and fertile farmland. We support planting native Illinois plants in our community garden and throughout our park system, and plan to expand our efforts into the future. On a personal note, Mayor McLaughlin and his family have been raising and releasing Monarchs at their Island Lake home for the last ten years.
