

City of Coral Springs

Coral Springs, FL

Mayor Scott Brook

Pledge Summary

The City of Coral Springs has approximately 134,000 residents and is known as the city with "Everything under the Sun." The city is a highly-rated, family-friendly city with over 50 parks, passive, wooded, and used for recreational. The City has a community garden with many plots of land for residents to plant monarch plants, seeds, vegetables, and flowers. The City of Coral Springs Garden Club has planted several monarch gardens in city parks and at the Sawgrass Nature Center. City Hall has a monarch garden on the property that is maintained by city staff. The City has received the prestigious recognition of "Tree City USA" for the past 41 years as well as the prestigious recognition of "National Wildlife Certified City" from NWF.
