Copley Township

Copley, OH

Trustee Jim Schulte

Pledge Summary

Copley Township is a community in Summit County, Ohio, committed to environmental stewardship and community engagement. The Township supports pollinator conservation through the planting and maintenance of a Monarch Butterfly Garden at Copley Community Park and the ongoing care and expansion of a rain garden at the Bunny Greenspace. Copley works in partnership with the Summit County Soil and Water Conservation District and Summit Metro Parks to advance initiatives such as rain gardens, rain barrels, tree planting, native plantings, seed distribution, and park enhancements. Through collaboration, education, and hands-on opportunities, the Township continues to promote awareness of pollinator health and is committed to expanding habitat and conservation efforts through the Mayors' Monarch Pledge.
