City of San Luis Obispo

San Luis Obispo, CA

Mayor Erica A Stewart

Pledge Summary

The City of San Luis Obispo is located on the Central Coast of California and is in the path of the Monarch migration. We have a documented roosting site in town that we are monitoring, are working with community groups to increase pollinator plants and habitat around town in support of this iconic species. Mayor Erica A Stewart and all city staff are committed to supporting the Pledge and working on Monarch butterfly protection!

Action Items Committed for 2023

Communications and Convening

- Issue a proclamation to raise awareness about the decline of the monarch butterfly and the species' need for habitat. This proclamation must incorporate a focus on monarch conservation.
- Launch or maintain a public communication effort to encourage residents to plant monarch gardens at their homes or in their neighborhoods. (If you have community members who speak a language other than English, we encourage you to also communicate in that language; Champion Pledges must communicate in that language.)
- Engage with city parks and recreation, public works, sustainability, and other relevant staff to identify opportunities to revise and maintain mowing programs and milkweed / native nectar plant planting programs.

Program and Demonstration Gardens

- Earn or maintain recognition for being a wildlife-friendly city by participating in other wildlife and habitat conservation efforts (i.e., National Wildlife Federation's Community Wildlife Habitat program).
